**Flash quotes**As of **SUN 29 JUN 2025**TIMING, RESULTS SERVICE &  
DISTANCE MEASUREMENT BY  **SWISS TIMING****Elisa MOLINAROLO (ITA)****Pole Vault Women Group A - 4th**

We arrived aware that we are not the favorites to win today, but we definitely came here motivated to do our best to defend the title. My fourth place at the start I hope it can give a good boost to the whole team and in the next few days I will be in the stands cheering on my teammates, and we will see what happens on Sunday. This place, Royal Palace, is wonderful, I'd never been here before, but beyond the beautiful setting. I found the track we jumped from today to be really excellent. In fact, there's a bit of disappointment about my performance, because I cleared 4.45, and during my attempts at 4.55 I unfortunately got cramps, so I wasn't able to jump the way I wanted to. But the track was truly amazing.

**Amálie ŠVÁBÍKOVÁ (CZE)****Pole Vault Women Group A - 1st**

I'm very happy because I earned 16 points for my team, so I'm pretty happy and really satisfied with my result. I'm a little disappointed because the last attempt at 4.75 was really close, but I know it's still good for me, and I felt great.

I won but I think it would have been more interesting without the "four cross" system, and I think the other girls don't like it either, but never mind, I took first place and I'm pretty happy.

The place is really nice. The people here are amazing the crowd was so enthusiastic and the support was incredible. So I'm very happy.

26.06.2025 18:23

**Emmanouil KARALIS (GRE)****Pole Vault Men Group A - DNS**

I had some physical discomfort. For that reason I didn't run today, but I will continue, I have to look forward. I will support my team that is here in Madrid. I hope they will compete as best as possible. I came to give the best of me, but unfortunately I didn't manage to do it. I know some people who came to see me here and sadly they couldn't see me at the end.

**Flash quotes**As of **SUN 29 JUN 2025****Piotr LISEK (POL)****Pole Vault Men Group A - 2nd**

I am quite satisfied with my competition. The most important thing of this competition are the points, so my result was good. This competition has not been easy because of the weather. Is not easy to be here. Our expectations for the team are so high. I am realistic. I keep my fingers crossed. I wish the best for the competition.

26.06.2025 20:42

**Menno VLOON (NED)****Pole Vault Men Group A - 1st**

The conditions were good, it was a little bit hot, but I love to jump in the Oranje kit. But the place was really good as well. Jumping on the palace was perfect. My last competition was at a stadium and is was great, but this is maybe a little bit better. I love to jump on different places, so that's the best. It's been a good year for me so far but I'm still going. I hope to jump every competition. Today I jumped 5.80m and 5.90m are coming, and 6.00m as well.

It's good to win 16 points for my country. I have the maximum points, now it's up to them. Let's see what they do this weekend. I hope the best

26.06.2025 20:43

**Matej ŠCERBA (CZE)****Pole Vault Men Group A - 3rd**

With my result we are in the first position. I'm very happy about it. We have quite a strong Pole Vault team. This venue is beautiful and the run-up is really fast and it fits me quite well. We can see that with my new personal best. I felt really good today and also two days ago when I had my last competition. I was worried I would be a little bit more tired, but it was really good.

26.06.2025 20:44

**Flash quotes**As of **SUN 29 JUN 2025****Femke BOL (NED)****400m Women Heat A**

I'm happy, I mean, it was a better race than in Ostrava, this is what I wanted. I hope it gets recognized as a faster time. It still wasn't perfect, but considering it was just a short 400 meter effort between my hurdle training sessions, I'm satisfied. Also, a funny moment a kid came up to me.

I'm really happy. It was a great competition. Natalia is a European Champion, and Paula Sevilla ran amazingly. So I'm glad to keep the win for the team, collect all the points, and now just enjoy the moment.

The Spanish people are so kind and I had the honor of running with Paula Sevilla that made it even more special. I came here to run, and she did too. It was perfect.

27.06.2025 19:52

**Paula SEVILLA (ESP)****400m Women Heat A**

I was really nervous because there were high expectations on me, but I'm super happy. I did my personal best surrounded by my people, so I'm very happy. Now I just want to hug them all because what I did was thanks to them. The atmosphere was great. The noise when the speaker said my name was incredible. The crowd gave me the strength I needed at the end. I tried my best to get to the finish line in the best conditions to fight until the end. I'm very happy to help Spain with my points and I hope to do it again on the relays.

27.06.2025 20:20

**Samuel REARDON (GBR)****400m Men Heat A**

I'm absolutely over the moon. This is exactly what I came here for, 16 points, a win, and hopefully a personal best and I achieved all of that. So yeah, I couldn't be happier.

I knew I was in great shape. I was aware the championship record was within reach. We had a really strong field with lots of top competitors, so I had a feeling it would play out this way. I just hoped I'd be the one to take it and I was. So I'm really really pleased.

The Spanish crowd has been amazing. I even spotted a few Brits out there too. The energy in the stadium really pushes you to perform. Honestly, my favorite part of the day was seeing everyone cheering us on, it made a big difference.

**Oleksandr POHORILKO (UKR)****400m Men Heat A**

We want to be among the best, even if we weren't the favorites.  
15 points is a lot, and that alone is huge motivation. I'm happy I could contribute to the team.  
I don't think we came here expecting to win, but we do hope to finish on the podium.

27.06.2025 20:21

**Merlin HUMMEL (GER)****Hammer Throw Men**

I think I have reached a good level and I'm very happy with my competition. I had some solid throws in this competition, which was a hard competition, to be honest, because it was very hot. It's been a great experience for me because you can only grow from this type of competitions. It's a fun competition. I'm very happy that I've reached a solid level. My goal was to win a lot of points for the team. My next goal is to prepare the World Championship. I have a new competition in five days and after this I will change my training system.

27.06.2025 20:29

## Flash quotes

As of SUN 29 JUN 2025

**Mykhaylo KOKHAN (UKR)****Hammer Throw Men**

I feel very good with my win but I have to admit that it was hard to compete with this heat. My victory shows that I still something to show. I had a series of competitions with 79 meters and I needed to rest, and after that you can see this 81,66m. I have to keep working hard until the World Championships but I hope everything will be ok. I'm proud of myself. I did everything I could to help my country. I hope that other athletes can have also good results and hopefully we can finish at the top 8. I wish luck to my team.

27.06.2025 20:53

**Patrik Simon ENYINGI (HUN)****400m Men Heat A**

It was amazing. I mean, this heat is killing me. I'm not used to it but I got a really good lane. I was surrounded by some incredible 400 meter, so they pushed me to my absolute limit. I just had to keep up with them. I love the team atmosphere. We support each other from the stands, cheering everyone on. I really enjoy that energy.

27.06.2025 20:53

**Jessica SCHILDER (NED)****Shot Put Women**

I feel great. It was tough because It was not the greatest start for me, but I'm happy that I could reach 20 meters and win the competition. We're still working on some technical changes and there's a little bit of a risk, but I'm happy. The season is long and I still have time to improve. I think there is still a lot to come. I'm really happy to represent my country in Madrid. The temperature is quite hot so maybe I can help others throwers a little bit with what they should do with this heat. I'm really happy with my 16 points.

27.06.2025 21:00

**Flash quotes**As of **SUN 29 JUN 2025****Yemisi OGUNLEYE (GER)****Shot Put Women**

It was a pretty hot day out there, but we girls handled it really well. Coming out with a throw over 19.5 meters gives me something solid to build on for the rest of the season.

I'm really happy that we're here with a strong team mindset. Every second, every centimeter counts for the team. That gives me the motivation to push hard and deliver a strong individual performance because that's what makes a great team result.

We didn't have the perfect start, but we're a hard team. I'm pretty confident we'll end up among the top five.

27.06.2025 21:13

**Marta GARCÍA (ESP)****5000m Women**

I feel really good. I have to admit that I had the 16 points in mind, and I tried. Of course, Nadia is Nadia. She's an olympic medallist. It was very difficult to beat her, but I think I lived up to the fans' expectations. When I lost a couple of meters respect Nadia, I changed the dynamic a little. I thought more about maintaining and protecting that second place just in case. But Nadia didn't have a bad day, which was perhaps my only chance of staying ahead of her. I'm happy with my performance, to be honest, and with the performance of the whole team so far. My 15 points are really important to try to get to the podium, which is what we've been looking for. The atmosphere was amazing, so I'm very happy and very grateful to all these people.

27.06.2025 21:16

**Nadia BATTOCLETI (ITA)****5000m Women**

I'm happy because the focus here is to score as many points as possible for Italy.

Probably we just want to do our best. There are a lot of strong teams, so we need to score more points.

This is definitely good training for me individually. It was a really tough 5000, and I think I needed that.

27.06.2025 21:29

**Flash quotes**As of **SUN 29 JUN 2025****Corentin MAGNOU (FRA)****800m Men Heat A**

I feel really good about today's performance, though I do have the feeling that I can improve in different areas. It's the second competition block and it's just the beginning of the season. Mohamed Attaoui was really strong today, it was a very good performance on his part.

It was a good track, great athletes and the atmosphere was excellent. It was a really good competition overall. I'm very happy to have earned these points for the French team. I hope we can build a strong team performance moving forward and that's what matters most.

27.06.2025 21:39

**Mohamed ATTAOUI (ESP)****800m Men Heat A**

The truth is that I'm really happy. I was a little nervous but also really excited. I was running at home, in front of my people. My family and friends had come to see me, and competing here with the national team jersey is an added bonus. I was nervous because I was maybe the favourite and I had to prove it. I started very fast. I wanted to stay in front and lead the race. I passed on 52, I nailed the second lap in 52.14, letting myself go in the last 10 metres, so I'm really happy. The atmosphere was amazing. This is something I've been waiting for a long time. I knew that if the race was a little fast I could beat the Championships record, but I wasn't focused on that, just wanted the 16 points. That's the most important thing, so I'm super happy. Spain have started really well, so I hope we can continue like this and make history.

27.06.2025 21:49

**Boglárka TAKÁCS (HUN)****100m Women Heat A**

I'm super happy right now. It was actually a bit nervous before the race because I had to compete with a lot of fast high level athletes. But my main goal today was to earn as many points as possible for Team Hungary, so I'm really proud that I managed to run such a crazy time, break the national record, and score 16 points for us. It's been a great day for Hungary overall.

27.06.2025 21:55

**Flash quotes**As of **SUN 29 JUN 2025****Daniel ARCE (ESP)****3000m Steeplechase Men**

It's been incredible. I tried to give it my all, to play my cards right, because I'm not quite at my fastest right now. The season still has three more months to go, so I need to be in shape, but with my feet on the ground and taking things step by step.

I knew I wasn't very fast, so I pushed hard with three laps to go. I saved some energy for the finish, but the German was very strong. Still those 15 points are very valuable.

The crowd's support was amazing. Racing in Spain and feeling that encouragement rally lifts you up and helps you bring out our best.

It's been a great day for Spain. We're already second in the standings, which gives us extra motivation. We came here to fight, and with a crowd like this, it really feels like home.

27.06.2025 22:21

**Elvis AFRIFA (NED)****100m Men Heat A**

I feel very good. A personal best is always a nice thing so I'm happy. I also got 15 points for the team. That's even better. It's great to help my country. I wanted to get as much points as possible. I hope that the rest of the team can do the same so we can overperform compared to what we were supposed to do in the rankings. I think the whole Netherlands team is doing well these years, so we're trying to keep the trend going. Our goal is to do it better than in the last edition. We were sixth two years ago. The atmosphere was amazing. Look at this. The track is really nice. It's hot but not too much. And yeah, Spain is always fun.

27.06.2025 22:22

**Eugene AMO-DADZIE (GBR)****100m Men Heat A**

I'm a little bit tired now but I'm really happy. It's late. Normally I'm in bed at this time. But I'm really really happy to be in Madrid. It's great to run on this green track. And of course I'm really happy to get the maximum points for Great Britain. It's always an honour and a blessing to be able to come here and represent my country. This is the ninth time that I represent Great Britain, so it's nice to come here and be part of the team. I'm happy with my consistency. It's still one of my fastest times ever.

## Flash quotes

As of SUN 29 JUN 2025

**Jonathan SEREMES (FRA)****Triple Jump Men**

I'm happy, I'm really happy. It was a tough day and I had to find resources for my last jump. And now I'm really happy, we needed points for our French team. So it's great to win and to bring points for the team. We needed my victory. We want a podium and we weren't there yet. So if I have to lead the team that way, I'll do it. The mark was close to my personal best, so I'm very happy. I know that my marks will be better soon. This is one of the most important wins of my career.

27.06.2025 22:39

**Francesco PERNICI (ITA)****800m Men Heat A**

I am extremely happy for my result. Attaoui is a great athlete. Competing against rivals so strong is something that pushes me.

My points have been very important. I do hope they will help my team for a good final result.

We are aware of being the present champions but we don't feel pressure at all. We are hopeful to repeat the success.

27.06.2025 22:40

**Jorinde van KLINKEN (NED)****Discus Throw Women**

It's really good to see the Netherlands on top and we all contributed to it, so that's good. I think it's not smart to expect anything. You should always do your best. We had a great competition at the women's discus throw. It's good to bring points for the team. I'll come again.

27.06.2025 22:58

## Flash quotes

As of SUN 29 JUN 2025

**Karl BEBENDORF (GER)****3000m Steeplechase Men**

I am so happy, the atmosphere was crazy and very nice crowd here. I love the feeling and that's why I came here. We came here to win. In meetings there are not all the competitions. Here you have all. It's a good practice. Before this race I had lost 6 times against Daniel Arce and today I beat him.

27.06.2025 22:59

**Nicolas-Marie DARU (FRA)****3000m Steeplechase Men**

I'm so confused with my performance today because I came here to win, not to finish third. But I run a race with two big racers like Karl and Dani. I run a lot of races this season with them. They won today but they won't win the next time. I think I can beat anyone if I have a good day, and I hope to do it in Monaco. This is a very important competition for me because I don't run for me, I run for France. Every point count on this competition. I got 14 points for France, so I'm happy for me and for my country.

27.06.2025 23:01

**Ewa SWOBODA (POL)****100m Women Heat A**

In this race I did my season best and that's good. I put a lot of confidence of my team because I know we are a strong team. It's normal to have a tough season. Last year were the Olympic Games and everybody is tired and I think in Tokyo we will end up doing something good.

27.06.2025 23:05

**Flash quotes**As of **SUN 29 JUN 2025****Thobias MONTLER (SWE)****Long Jump Men**

I'm super happy with this competition! I started the season pretty good with 8,25m, then I had three competitions where I was a bit under standards, but today I went back to the right direction, so yes, I'm happy. Of course it felt good to beat Furlani at the end, but I know that he can jump so much better than he did today. I talked to him after the competition and I told him: "you have big jumps on you". He has a bright future in front of him. I took some extra points compared to the paper, so I'm super happy.

28.06.2025 19:50

**Lorenzo Ndele SIMONELLI (ITA)****110m Hurdles Men Heat A**

This track is fantastic, the time is season best for me. I was feeling really good out there. I think this is the first competition where I truly saw myself perform at my potential. The race was great, the competitors was strong, the opponents was solid and the track itself was really nice. Its very unique track. I think it's fast. I'm looking forward to the relay. I really enjoy competing as part of a team.

28.06.2025 19:55

**Jason JOSEPH (SUI)****110m Hurdles Men Heat A**

I'm tired now. Simonelli gave me a tough battle, as well as the rest. I was out of the mix approaching that fifth hurdle or sixth hurdle even and I really had to work my way back into the race. I'm happy that I could manage that but it was hard. I already won this competition in 2023. It's a great competition. It's a great track. The weather is always nice. The atmosphere is great. Obviously everybody is cheering for the Spanish athletes. That's totally normal. That's totally fine. But I love the atmosphere overall. And yeah, it's a fast track. It's a different track, it's green. You don't see that everyday. So I'm happy to come back. I already won in this stadium before. I know I can run fast in Madrid, I know everything is set up to run fast, so I always like to be here.

28.06.2025 19:56

**Flash quotes**As of **SUN 29 JUN 2025****Anita WLODARCZYK (POL)****Hammer Throw Women**

I'm very happy, earning 16 points is very important for Poland. This was my season's best result, so I'm really satisfied. I was expecting good results, and that's what I got. This is a great competition to prepare for the World Championship in Tokyo.

The organization, the food, the atmosphere, everything was excellent. As for our aspirations, maybe we can reach the podium possibly second place, but I'm not sure yet.

28.06.2025 20:07

**Miltiadis TENTOGLOU (GRE)****Long Jump Men**

We are in a good state. I showed it here today and I helped the team, the greek team, to get a lot of points. Today's participants will all be on the international stage, and we beat them, differently and easily, so, it's very important for me.

28.06.2025 20:19

**Silja KOSONEN (FIN)****Hammer Throw Women**

I was so relieved after the first throw because my first warm-up throw was like 62m and then the second one was a foul and I was getting a bit nervous because there's a lot of pressure when you're competing for a team. So when I threw the first one I was so relieved. I feel like my heart rate was so high but this is just amazing. I really love the format of this competition. I used to play football and I love the team aspect of it, like playing for a team. Sometimes athletics can be a bit lonely, especially if you're training alone and you don't see a lot of others. So when we come here to compete as a team it's really nice and I just do my best. I love the venue. Green is my favourite colour, so nothing to complain.

28.06.2025 20:22

**Flash quotes**As of **SUN 29 JUN 2025****Ditaji KAMBUNDJI (SUI)****100m Hurdles Women Heat A**

It was amazing. I feel like whenever Visser and I step on track, there's a great challenge and we push each other and it's amazing. We also push each other to fast times and I'm just happy and I want to do it again and again. The time was fantastic but because of the wind it wasn't valid, but I'm super happy that at this point of the season I can run fast times, even though we're still trying to progress and we still have a lot to work on, so that the fast times are here already is amazing. It's incredible that Jason Joseph and me we both won. We came here and we want to represent Switzerland. Hopefully we can call ourselves a hurdle country, so it's amazing. It's amazing that with this points Switzerland can advance in the standings.

28.06.2025 20:25

**Audrey WERRO (SUI)****800m Women Heat A**

It was a great day for me. There were some mistakes in the race, but at the end it's a second place, so it's great. But yeah, this mistakes will give me some experience for the next race, so it's all good. It was really tight at the end. I made some mistakes during the race and I had less energy at the end of the race. So if I correct those mistakes it will be better. It's a great moment for me, a great beginning of the season. I'm happy to contribute with some points for my team. I'm really happy today for my time but also for the points.

28.06.2025 20:45

**Vít MÜLLER (CZE)****400m Hurdles Men Heat A**

This victory was really important for me and for my team, especially as part of the preparation for the big challenge in Tokyo. I've already qualified, and it feel amazing. Run for a spanish club and winning here, in spain means a lot. I was here two weeks ago and had a great time, so coming back has been a real pleasure. The crowd here in spain is incredible. They loud a full of energy, and that really pushed me forward.

**Alastair CHALMERS (GBR)****400m Hurdles Men Heat A**

It was a good race. It's very hot out here, so I'm happy to come away with a mid-48 again and beat some good guys. I definitely didn't feel like 100%. I felt a bit sluggish down the back straight, a bit slow, but finished really strong. I'm happy. These guys are great athletes, so I did want to win. I thought I could win, but just left it a bit too late, unfortunately. I just gave my all, pushed to the line, and happy to get second, really. I had a problem of hurdle 10, but I thought "I've got to do this for the team", and pushed on.

28.06.2025 21:13

**Fatoumata Binta DIALLO (POR)****400m Hurdles Women Heat A**

I feel good. It's really really hot, but I feel really good. I'm so happy to take the 16 points for my country, for Portugal. It was really, really important for me, so I'm really happy. I wasn't expecting this at all. On the paper I thought I was fourth, and to win this is something crazy. It's really crazy for me. I wasn't expecting it. It was a surprise because there were Lina, Ayo, Daniela Fra and also another girl. So winning this race was so important for me and made me more confident for the next race. This is the most important win of my career, it's the first time I win a European competition. It's so cool to win 16 points for Portugal.

28.06.2025 21:31

**Men Netherlands (NED)****4x100m Relay Men Heat A**

We're feeling great. This is amazing. This is what we work for. We've worked for this a long time. So we're happy that it finally came out. We're hyped. We trained together a lot and it's finally coming out. So we're really happy. It's important to get this records with this time and get a spot for the World Championships.

**Matteo SIOLI (ITA)****High Jump Men Group A**

I'm really happy to have made a strong contribution. We've done really very well, and now we're going to keep pushing forward. We didn't start as favorites, but we said it three days ago. We're here to fight, to honor de blue jersey, and that's exactly what we're doing. I feel honored to have Jimbo as an idol, especially in a country where the number one is Tom Brady.

28.06.2025 22:01

**Jan ŠTEFELA (CZE)****High Jump Men Group A**

It was an incredible win and really important points. I feel great in such an amazing competition. Today went really well for me. I can jump higher and higher, and that's an really pleasure. The venue is really unique, with that lime green track. I think it's super fast, you saw a lot of PB's in the sprints. I love fast tracks, and today I jumped 2.33 and took the win.

28.06.2025 22:24

**Mika SOSNA (GER)****Discus Throw Men**

I think I could handle the heat in the stadium quite okay. For us Europeans, especially Germans, like 21, 23 degrees it's too warm, and here it's about 40 degrees, so it's absolutely crazy. But the stadium is amazing, the crowd is amazing. I enjoyed it very much. At the beginning of the competition I was feeling better. I felt a little bit more fresh. And after that it was getting harder and harder. My motivation and the body were going down. Daniel did a great job. 68m in such a different stadium, you know. Sometimes the second place is better than nothing. I'm proud that I collected some points for Germany. We will try our best to win the competition, but to be in the podium would be awesome. I just enjoyed and had a lot of fun.

**Men Germany (GER)****4x100m Relay Men Heat A**

At first, I was pretty exhausted. The heat was intense, and it was a tough race. But we pulled through and gave our best performance. We really used the energy from the crowd to push ourselves, and I think we did very well. As for the German Team the spirit great. We're a very close-knit group, we support each other and that makes it feel really special, especially in a Team Championship like this.

28.06.2025 22:34

**Women Spain (ESP)****4x100m Relay Women Heat A**

We came here with so much ambition after our result on the World Relays in China. There were high expectations on us, a lot of pressure because we were competing at home, but we have experienced it like the first race of our lives. We trusted each other and you can see the result, a national record. So we're really really happy. The noise from the crowd was brutal. We have enjoyed a lot. We've had an overwhelming support from Madrid, and that was the reason why we weren't nervous before the race. We were convinced that everything was going to be okay. The last day will be decisive but we have given our best.

**Ayomide FOLORUNSO (ITA)****400m Hurdles Women Heat A**

I'm really happy with how the team is doing. Even though some of our top athletes are missing. It's great to see young guys stepping up, some for the first time on the national team. I always pray before competing and support my teammates however I can. Seeing their performances truly inspired me. I can't believe we're in first time right now. We have to fight for every single point until the end.

I was in tension. I really wanted to win, and I knew I could jump far today. I was feeling in shape and the weather was good, and I knew I could do it, so I just needed to do it at the end. It was really fun and I'm happy that Maja also pushed me. This is the most important win of my career so far. I never won an international competition, and now we got the points, which is really important for Team Germany, and I'm really really happy that I got it. We were always cheering for all the Germans competing. I'm very proud that I got these points, and tomorrow I will be here in the stadium cheering for my teammates. Hopefully we can win a medal.

**Maja ÅSKAG (SWE)****Triple Jump Women**

It was a good competition. It was my season best, very close to my personal best. So it was a good competition. It's very warm here. I'm not used to the heat since I live in Sweden. But I love the track. I love the vibes. So, very good competition. It's always fun to jump with the girls.

28.06.2025 23:01

**Daniel STÅHL (SWE)****Discus Throw Men**

My goal was to do as best as I could for my country and for my team, get as many points as I could, and I did it, so I'm really happy about it. I don't think of expectations from the people. I just do what I can. I hope that Sweden can finish very good the competition. The whole team have worked so hard, but there are very good countries competing. Like our team captain said, our goal is to do our best and have fun and have a great atmosphere in the team, earn as many points as we can. Madrid is a beautiful city and Spain is a beautiful country.

**Women Netherlands (NED)****4x100m Relay Women Heat A**

We're really happy with our team performed today. Our country is very strong in relays, and it's special because both, the men's and women's team ran national and championship record on the same day. I think we've grown a lot as a team, helping each other improve our individual speed. In the Netherlands, we really enjoy running relays. Looking ahead to the World Championship in Tokyo, our dream is to win a medal.

28.06.2025 23:11

**Nadine VISSER (NED)****100m Hurdles Women Heat A**

It was a good race. It was decided on the line. You can't really don't know who won. It's a shame. I was here only to score 16 points, but it was a shame, but I'm still happy with my race. It has been such a nice evening. I think the stadium is fantastic. Also the temperature was a bit high.

28.06.2025 23:13

**Helene PARISOT (FRA)****200m Women Heat A**

I'm really happy with this race. I achieved my personal best and even though it wasn't exactly what I expected at first, I'm very pleased with today's result. My first round last week didn't go well, so this is a big improvement. I'm also really proud to bring some points to my country.

Our goal is to finish in the top five. If we can make it to the podium, top three, that would be amazing. So we're going for it.

**Flash quotes**As of **SUN 29 JUN 2025****Wictor PETERSSON (SWE)****Shot Put Men**

I'm happy to be here, it's a fantastic stadium. And honestly I love the heat. A lot of people struggle with it, but for me it actually feels great. I perform well in these conditions.

I like to compete, building up gradually. The first attempt is more about staying safe, and then I gain more power and confidence as I go. It's a shame I had to really get going from the third throw because of the early fouls, but that's part of the process.

Competing against Lorenzo, the Italian, is always a challenge. He was in great shape today, and I enjoy going up against him because he pushes me.

29.06.2025 19:27

**Jaël BESTUÉ (ESP)****200m Women Heat A**

Honestly, I'm still not fully aware of what I've just done. I knew I was in great shape and that I had a real chance to set a personal best, but I'd never had the opportunity to run in an atmosphere like this, outdoors, in the street, with perfect conditions and such an amazing crowd. I'm honestly blown away. With this victory, we've brought Spain closer to the podium again, which is the main goal for this team. I'm super happy to have contributed those points.

**Xavi MO-AJOK (NED)****200m Men Heat A**

I was thinking of hitting 19 today maybe, but I just felt a little short. So let's do it the next time. I'm very happy. Happy with my time, my qualification and the points for my team. So let's hope we can get a medal with the team. I have confidence that we can make the podium. Everybody just does their thing and it's going to be fine. 32 points for me in general counting with the 4x100 yesterday, so I think I have the most points in the team, so I'm happy.

**Flash quotes**As of **SUN 29 JUN 2025****Maria ANDREJCZYK (POL)****Javelin Throw Women**

I'm quite satisfied. I got the season best for me, good points for my team, so I'm pretty happy with my performance today. It was extremely hard, probably the hardest competition in my life, but overall I really enjoyed it. The crowd is amazing. I love Madrid, I love Spain, so that was a great time of my life. Right now I'm struggling a bit with my technique, so I'm not disappointed that I didn't win. This is my season best, so I'm happy with that and more to come. We knew that it was going to be difficult to finish in the top 3, but we are fighting until the end.

29.06.2025 19:51

**Leonardo FABBRI (ITA)****Shot Put Men**

It was very important to me I wanted to win, but I also really wanted to win, but I also really wanted a big throw. I was hoping to go over 22 meters. I got close and that's good, because improving on the final throw isn't easy. It was very hot today, so technically I'm very happy to be returning to a good level. Last year was amazing for me, but it's not easy, when you come from such a great season, expectations are very high. I struggled in the first competitions this year, but now I've found the joy again. I'm enjoying the competitions, and that makes me really happy.

**Eseosa Fostine DESALU (ITA)****200m Men Heat A**

We believe in victory. Two years ago we won, and we know we can still win. For now, we are ahead, so I dedicate the trophy to all the other athletes who are still competing. Forza Italia!  
I'll be watching my stopwatch, under 20 second, maybe in Tokyo.

**Elina TZENGKO (GRE)****Javelin Throw Women**

I won three Diamond League meetings and today was my fourth win. I can say that I'm really proud and really happy about my performances. Today I tried to collect points for the Greek team and I made it, so I'm really excited about that. I'm really happy that my points helped Greece to stay out of the relegation zone, but we haven't finished yet. There are more athletes that are competing after me, so we still have chances. This stadium is great and the crowd was amazing. It's the first time that I see a green carpet.

29.06.2025 20:06

**Maria ANDREJCZYK (POL)****Javelin Throw Women**

I'm quite satisfied. That's a solid season for me. I got my season best today and scored good points for my team, so I'm pretty happy with my performance. The crowd was incredible, I love Madrid, I love Spain. It was truly a great moment in my life.

It's not disappointing that others might be ahead because right now I'm struggling a bit with my technique. As I said, this is my season best so I'm happy.

29.06.2025 20:11

**Agathe GUILLEMOT (FRA)****1500m Women**

I felt like I had to win because, on paper, I was the strongerst, I have the best season's best and the best personal best. So I had to win, and even though it wasn't easy. I'm really happy I could do it today for the team, because we needed it.

As for a team, before the championship we aimed to be close to the top, maybe in 3rd or 4th place, but we've had a lot of absences in events like the 5000 and 1500. We're missing Asden Habs, Jimmy Gressier and Sarah Madeleine.

**Flash quotes**As of **SUN 29 JUN 2025****Salomé AFONSO (POR)****1500m Women**

During the race I was feeling dehydrated, but I thought that it was a problem affecting all the athletes. It was not an easy competition because there were many of us and in the end the pace in this type of competition is accessible to almost all athletes. So I was blinded many times, very far back. So, well, a second position. I think I have to improve, because the Frenchwoman always beats me in this kind of races. So let's hope that one day it will be my turn to beat her. The goal was to win but I'm happy with my second position. That's a good position. Yesterday I ran the 800 and today I thought, well, it's my race. I'm proud that and also very happy to be able to contribute with these points for my country.

29.06.2025 20:22

**Isaac NADER (POR)****1500m Men**

I felt really good out there. I'm in good shape, last tuesday I ran 3:29 in the 1500. Even though I wasn't completely satisfied with the time, because I know I'm not yet at my best.

Our main goal is to keep the team in the division, and these points are really important for Portugal to keep climbing in the standing.

We came in aiming to maintain our position. Despite some important absences, the team is performing well. we're fighting.

29.06.2025 20:33

**Stefan NILLESSEN (NED)****1500m Men**

We're very close to the third position and I'm delighted to help with my points. I think that the last couple of years we've really been growing as the Netherlands in athletics. So yeah, hopefully we can get a top 3. I'm proud to be part of that. You can be proud of competing together as a team and support each other. That's always fun. I would be happy with a top 5, but I would be really happy with the top 3. So I think that's the goal.

**Ilona MONONEN (FIN)****3000m Steeplechase Women**

I expect to win, I knew that it was possible today. I wasn't expecting such a slow race, but I mean, I know that I have some speed in the legs, so I knew that at the last obstacle I have to go and I believed. We are fighting for the spots to stay in the first division, so it's very important to place high.

29.06.2025 21:02

**Sarah TAIT (GBR)****3000m Steeplechase Women**

I thought honestly coming over the line I thought I'd won, but I just got outdipped. So I need to work on my dip for the next race, I think. It was so hot today. I knew it was going to be a tactical race. I was pretty confident it was going to go slow until a lap to go or so. And honestly, it didn't even really go until about 250m to go. I was kind of questioning myself, is this the last lap? Because nobody was really making a move yet. I'm really pleased with that today, so yeah, it was great. Now we're coming into third position at the standing, so I'm really pleased.

29.06.2025 21:07

**Yaroslava MAHUCHIKH (UKR)****High Jump Women Group A**

The goal was to earn important points for Ukraine, and I managed to get 16 points, so I'm happy with that. I'm really pleased that I cleared 2 meters on my first attempt, that was amazing for me. I made some mistakes, especially mentally, but I still have time and I hope I can do everything to become a better version of ourselves by Tokyo.

I won, but it wasn't exactly the result I wanted. My goal was to beat the European Record, but today wasn't the day.

I'm feeling great. The race was really good. I didn't expect that I could finish in second. I knew it was going to be tough. This weather is not for me. So yeah, I'm happy with the result. I just kept my motivation until the end and I finally could overtake the Spaniard. I'm really happy. I support the team. I give what I can. I really appreciate it. I'm also happy for the team. They did a really good work. I think we all are happy. I hope we go home with a positive vibe.

29.06.2025 21:30

**Niels LAROS (NED)****5000m Men**

Personally, I'm happy. I don't usually run the 5000 but it was fun, I followed my plan and I won, so I'm really pleased.

The team are currently in third place, is great, we were expected to be around seventh, so this is a strong result. Everyone on the team is doing really well, especially the relays. I think we have a real shot at the podium.

29.06.2025 21:38

**Larissa IAPICHINO (ITA)****Long Jump Women**

We knew the team was strong, but there was still a lot to do. I wasn't afraid, I knew things were going well. It was just a matter of finding the ring feeling. We got it done on the fifth jump. This year I've been very consistent with good marks, so I'm really happy. And this championship has been beautiful. Competing for the team, for the nation, is something I truly enjoy.

29.06.2025 22:02

**Flash quotes**As of **SUN 29 JUN 2025****Malaika MIHAMBO (GER)****Long Jump Women**

I feel good about the competition. I did my best in all the attempts, but unfortunately best jump was invalid, so I feel like there's still some potencial left, and after a competition you always want to say "I gave all", and it was all measured, so that's why I'm looking at the competition with a happy side because of the 15 points, but also a bit of a small tear for the final result. When lapichino surpassed me in the fifth attempt I just had like four minutes, and that's way too less to be rested, so I was jumping with a kind of a handicap, which is a pity, but still I made the best out of it. In the end it was not enough today, and it's ok. This is sport. Sometimes you win, sometimes you lose, and sometimes you're second, that's also good. In this competition it's more about the points in the end and not the final result. But still, I know that I could have done better. The atmosphere was really good, the crowd was cheering and the weather was great, almost too hot, but I still enjoyed it, so it was a good team competition here in Madrid, I think.

29.06.2025 22:04

**Artur FELFNER (UKR)****Javelin Throw Men**

I'm really satisfied because it's my season best, and this year I had problems with an injury with my back. So now I'm happy.

It's a bit frustrating because we know we can do more, but everyone had good result. We'll compete in the second division and then go back to the first.

The team spirit these days is very good, really good.

**Julian WEBER (GER)****Javelin Throw Men**

It was so nice to compete here. Gracias Madrid, eres genial. It was really nice. It was so much fun. I loved the track, the green track. The music was perfect all the time, so it was a lot a fun to compete here. I knew I'm in a really good shape and I knew I could win this with a good mark. So I'm really happy I hit it pretty good directly in the first throw. So I'm happy I hit it. But I was a little bit nervous. This European Team Championships is always a little bit different. We're here with the full team and you want to give your best for the whole team. It's not only you. So you want to get 16 points for Germany. So I'm feeling happy. Everything worked out pretty good. Everyone in the team did an insanely great job. We had so many wrestlers. It was such a good team spirit. So it's not about me. It's the whole team.
